Dave –

You are scheduled to give opening remarks at the 404g State Engagement meeting on Thursday morning.

I've attached talking points, which are very similar to what you used at the 404g tribal webinar. OWOW has also provided several background materials, which are attached.

Attachments:

- Agenda
- Slides
- Run of show
- List of attendees from states and state associations
- 1-pager of background information on economics
- Draft conceptual talking points

Thanks,
Paige

Hi Paige,

Please see attached for the agenda, slides, run of show, list of attendees from states and state associations, and a 1 pager of background information on economics (this will not be walked through at the meeting, just background information for attendees).

The meeting has been moved to **WJCE B316**.

Thanks for printing these out for Dave and thanks for all your assistance!
Lauren
